

Visitor information

The Green Connection offers the eco-treasures of Sabah in a nutshell. Suitable for all, rain or shine, our exhibits will enable you to see the hidden treasures of Sabah. The Green Connection is an eco theme park, a unique tourist attraction and educational facility in Sabah, featuring over 500 native species from 9 major habitats, providing guests with the opportunity to journey around the ecosystems of Borneo and explore the vast biodiversity contained within them.

There are meet the animals presentations, talks and demonstrations. Educational workshops and programmes for schools will also be available to provide an entertaining and enlightening experience for all our visitors.

Opening Time

The Green Connection will be open daily from 10:00 am to 6:00 pm
